

BREC Greenwood Community Park Site Improvements

PROJECT STATS

Location: Baker, Louisiana

Total Size:

Type of Work: New Construction

Project Cost: \$3.2M

Completion Date: September 2011

PROJECT NOTES

This project consisted of new parking, sidewalks, trails construction, pavilions, play and splash grounds including a disc golf course.

This new park addition compliments the Golf Course Pro Shop built by D. Honore in 2010 and is a great way for the family to spend a day.
