

## L'Auberge Casino & Hotel Overflow Parking Lot

### PROJECT STATS

**Location:** Baton Rouge, Louisiana

**Total Size:** 180,000 SF

**Type of Work:** New Construction

**Project Cost:** \$842,767.00

**Completion Date:** August 2013

### PROJECT NOTES

When L'Auberge Casino needed an overflow parking lot for an additional 425 parking spaces to support its expanding event schedule and to support shuttle services for ever loving LSU football fans, DHC responded by meeting their 60-day timeframe in order to accommodate the 2013 Tiger football season. On time and on budget, the finished project consisted of our 2,244 tons of asphalt paving poured over stabilized soil.
