

Southern University Intramural Athletic Complex

PROJECT STATS

Location: Baton Rouge, Louisiana

Total Size: 15,531 SF

Type of Work: New Construction

Project Cost: \$6.3M

Completion Date: July 2013

PROJECT NOTES

This project consists of a new recreational sports complex located near student housing. Highlights include two basketball courts and a volleyball court, three aerobics room, a fully equipment exercise/weight room, locker rooms and a juice bar to name a few.

This state of the art building offers the ability to live a healthy lifestyle to student including seniors and will offer a membership to the community.

Another way, D. Honore Construction participates in giving back to the community.
